Medical review for fair and appropriate support of claims

Top 3 global innovation-driven biopharmaceutical Client

Business Need

- Because of insufficient bandwidth, the sponsor had a requirement for medical and editorial review of material developed by an incumbent local medical agency
- The anticipated volume of work:
 - > 2000 assets
 - 1 year turnaround

Our Solution

- A tollgate pilot program was initiated with onsite transfer of knowledge to the Indegene program lead
- Following successfully completing the pilot period, a 2-year engagement was initiated

Outcome

Predefined quality sampling program revealed:

- Pilot extended to 3-year engagement that is presently active
- Reviews: >99.5% detection of level-1 errors
- Accuracy checks: >99.8% detection of level-1 errors
